2016 REGISTRATION AND INFORMATION

1. **Attendance is limited to 320 people.** Advance registration is required. Parking is available at the main entrance to the UTHSC-SA Campus at 7703 Floyd Curl Drive (use the entrance just south of Medical Drive). Please tell the security guard that you will be attending the radiology seminar and he/she will direct you to the parking lot assigned to the seminar. We are back to the lecture hall next to the UTHSCSA Library. We do have to raise our registration fee this year as rental costs have gone up. Sponsorship is not available as in years past. Same entrance to the UTHSCSA, parking on the left this time.
2. **Sign-up Now!** Every year, the seminar fills up within two to three weeks of announcement! **There will NOT be a waiting list! You can verify registration online at www.radtechgroup.net.**
3. The seminar will be held Saturday, October 29th 2016. Sign-in starts at 7:30 a.m. Please arrive early so that we can start promptly at 8:30 a.m. Breaks will be provided at 10:30 a.m. and lunch. CE Certificates will be provided at the conclusion of the program. Refreshments will be provided during the seminar. Lunch is on your own. A 90-minute lunch break will be provided between 12:30 and 2:00. There are numerous choices of restaurants and fast food locations in and near the Medical Center area.
4. A \$45.00 registration fee (checks payable to "Univ. Radiologic Technologists Group") is required to reserve your place at the seminar and helps to offset a portion of the costs of the seminar. Registrations are not transferable! **Registrations must be received by October, 19th or until the seminar reaches capacity, whichever comes first!** If you cancel prior to October, 19th we will refund your registration fee. You may report cancellations to (210) 358-8592 (please leave a message). If, for any reason, the bank returns your check (such as NSF), you must reimburse us for the check and any bank charges. **"No shows" will forfeit their registration fee.**
5. Mail your registration form and fee to: **TECHNOLOGIST EDUCATION DAY 2014, 7970 Fredericksburg Rd. Suite 101-331, SAN ANTONIO, TX 78229.** If possible, we appreciate if each facility would send all registrations together as it makes it easier to tabulate and acknowledge registrations. Confirmation will be online at, radtechgroup.net once your registration is received and processed.
6. Additional costs of Technologist Education Day 2016 are not being underwritten through any sponsorship of any corporations or business other than those listed. If you would like to sponsor contact us. The Departments of Radiology for University Health System, The University of Texas Health Science Center at San Antonio, Richard Landin and Russell Anthony have selected the speakers and topics for the seminar. At this time, the list of speakers and topics has not been finalized.
7. Category A. Continuing Education Credit is pending with the American Society of Radiologic Technologists—Department of Education. The presenters will maintain a record of attendance as required by ASRT, but under new ASRT rules, these are not sent to ASRT. Your certificate should be kept to confirm attendance and credit. A majority of credit hours will be "direct" hours as required by the State of Texas.
